

Serial No. 10/064,327

Amendments to the Drawings:

The attached drawing sheet includes a new FIG. 5.

Attachment: New Sheet

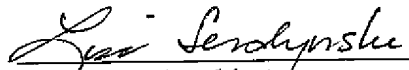

REMARKS

Reconsideration of this application as amended is respectfully requested.

Examiner stated that this application is in condition for allowance except for the following formal matters: the drawings fail to show the alternative structures wherein the hook contour is embodied as a single piece with the housing and a cutout having a complementary shape to the housing contour formed on the actuating element. New FIG. 5 has been added to overcome this objection and paragraphs [0016], [0017] and [0019] has been amended. Support for this amendment is found in the specification at paragraph [0009]. No new matter has been added.

Respectfully submitted,

GEORG BLASCHKE
